PLR * 14. *Report on Limiting Brand Name Prescriptions.* Require DHFS to submit a report to the Joint Committee on Finance and the appropriate legislative standing committees by July 1, 2006, which would: (a) identify the potential savings to the MA, BadgerCare and SeniorCare programs of limiting the number of brand name prescription drugs recipients could receive in any month to five, after which any additional brand name prescription drugs would be subject to prior authorization procedures; and (b) identify costs DHFS and providers would incur if such a proposal were implemented.

PLR * 15. *Rural Health Clinics Expansion.* Increase funding in the bill by \$400,000 GPR in 2006-07 to provide ongoing support for a rural health clinic to be located in Chippewa Falls to provide dental services to persons who are developmentally disabled or elderly or low-income persons in Chippewa County and the surrounding area, including the counties of Dunn, Barron, Taylor, Clark, and Eau Claire.

16. *Authorization Procedures for Occupational and Physical Therapy Services.* Require DHFS to substantiate any reduction in the duration of occupational and physical therapy services from the initial provider request that would lead to additional prior authorization being needed to deliver medically necessary services to medical assistance recipients. In addition, require DHCF to work in concert with representatives of the Physical, Occupational, and Speech Therapy Association to monitor compliance.

Note:

This motion incorporates items relating to the MA, BadgerCare, and SeniorCare.

The net GPR effect of this motion is to increase authorized GPR spending in the bill by \$364,932,000 and to reduce GPR revenue by \$27,600,000 in the 2005-07 biennium, for a net effect on the general fund of \$392,532,000.

[Change to Bill: \$364,932,000 GPR, -\$79,524,600 FED, -\$412,208,900 SEG, -\$2,319,900 PR, -\$112,791,600 SEG-REV and -\$27,600,000 GPR-Earned]

Subject: FW: LRB Draft: 05b0329/1 Funding for rural health clinic in Chippewa Falls

Robin,

The draft relating to paragraph 15 in Motion #870 (rural health clinics expansion) was meant to be modeled after the s. 146.65 rural health dental clinics language. The Chippewa Clinic is patterned after the Ladysmith clinic listed @ s. 146.65 (1)(a). I was assuming we'd amend s. 146.65 to include the Chippewa Clinic, and provide the additional funding in appropriation s. 20.435(5)(dm). Also, although the funding will first be provided in 2006-07, it is ongoing funding. Let me know if you have any questions on this item. [This issue got dropped into the MA motion late in the game.]

Thanks,

Eric
